Newburgh, IN  
(618) 843-0676  
d.hayes0676@gmail.com

Experienced ICU and trauma nurse with expertise in critical care, ventilator management, and titration of cardiac and anesthetic drips. Skilled in rapid response, code blue situations, and interdisciplinary collaboration to ensure high-quality patient care.

## EXPERIENCE

### Deaconess Health System, Evansville, IN — *Registered Nurse*

April 2022 - PRESENT

- Manage and care for critically ill patients in the **Neuro ICU and Surgical Trauma ICU**.
- Collaborate with trauma surgeons to provide comprehensive care to trauma patients, including those with gunshot wounds, motor vehicle collision injuries, and head traumas.
- Titrate and manage **cardiac and anesthetic drips**, ventilators, and high-flow oxygen devices.
- Coordinate **Massive Transfusion Protocol (MTP)** and monitor patients requiring **Continuous Renal Replacement Therapy (CRRT)**.
- Lead as **Charge Nurse in the Neuro ICU**, overseeing ICU operations and patient care coordination.
- Rapid response and **code blue** team member, ensuring swift and effective intervention.

### Aya Healthcare, Traveling ICU Nurse — *Registered Nurse*

Nov 2021 - April 2022

- Provided ICU patient care with a focus on critical illnesses and trauma cases.
- Managed cardiac and anesthetic drips, ventilators, and high-flow oxygen devices.
- Worked alongside critical care doctors and residents to ensure optimal patient outcomes.

### Deaconess Health System, Newburgh, IN — *Registered Nurse*

April 2019 - Oct 2021

- Managed critically ill patients, including **stroke and head trauma patients** requiring frequent neurological assessments.
- Administered and titrated critical **cardiac and anesthetic drips**.
- Assisted in rapid response and **code blue situations** to stabilize patients in crisis.
